

When our community partners *invest* their time, talents, and treasures into Building Hope, an *imprint* is left on the lives of those we serve. The *impact* is a generation of world changers empowered to transform communities.

TIME

If you enjoy hands-on work and/or engaging with students directly, investing your time is an excellent way to get involved at Building Hope. Our staff would be honored for you to serve alongside us.

TALENT

A special way to get involved is by using your skills and talents. Our students have diverse interests and would love your help developing them.

PRAYER

As a ministry, we value the prayers of our community. If you would like to get updates on ways you can pray for Building Hope, consider signing up to be a part of our prayer team.
